

Free CPD training and events hosted by Sussex Building Control April – July 2010

April

Tuesday 27th April

Event: **The LABC NHW Roadshow – a free CPD forum for Housing Professionals**

Time: **9.30am – 12.30pm**

Venue: **The Hawth, Crawley**

Cost: **Free**

LABC South East is hosting an event to help housing professionals find out about the new Consumer Code of Conduct for Home Builders and get up to date information from industry professionals about the new part L and revised Code for Sustainable Homes.

Highlights of the event will be:

- The Consumer Code of Conduct - **LABC New Home Warranty**
- Ecological Building Solutions: case studies for Code 3 and above - **Andrew Mitchell, NBT**
- Why are architects, Developers and Contractors still failing in Acoustics? - **Dave Riley, noise.co.uk**

This Forum is one of a number that are being held across England and Wales over the coming months where key House Builders, contractors, developers, architects, Elected Members and Local Authority Chief Officers will be invited to network with other Housing professionals and hear addresses by leading construction industry experts: focussing on innovation in sustainability, Part L and the Consumer Code of Conduct for Home Builders.

If you would like more information please email vanessa.good@horsham.gov.uk

Tuesday 27th April

Event: **CPD Seminar on Weatherproofing – BS 8102:1990 and Cavity Drain Membranes presented by Delta**

Time: **12pm – 1.30pm (including lunch)**

Venue: **Council Chamber, Horsham District Council, Park North, North Street, Horsham, RH12 1RL**

Cost: **Free**

The presentation will cover the following:

- Code of Practice BS 8102:1990
- Achieving environmental grades
- Cavity drainage membranes
- Case studies of typical problems and how they can be solved
- The talk aims to explore waterproofing, and in particular the use of 'Cavity Drain' and 'Air Gap' membranes in a variety of different situations

if you or your colleagues would like to attend please email your name, company name and email address to vanessa.good@horsham.gov.uk by Friday 16th April 2010. Please make sure that you include 'Weatherproofing CPD' in your subject line. Lunch is provided from 12pm - the presentation starts at 12.30pm and finishes at 1.30pm

May

Tuesday 25th May

- Event: **CPD Seminar – ‘A New Concept on Waterproofing to BS8102’**
- Time: **12pm – 1.30pm (including lunch)**
- Venue: **Council Chamber, Horsham District Council, Park North, North Street, Horsham, RH12 1RL**
- Cost: **Free**

The presentation will provide the listener with an insight into the successful techniques that are now being utilised in the below ground waterproofing industry including:

- An in dept technical introduction to designing a below ground waterproofing system conforming to BS8102 in order to create an area that is fit for purpose
- To demonstrate how in both retrofit and new build scenarios, modern technology has produced new systems of dealing with leaking/damp structures
- To show how ‘Type C’ method of construction, incorporating a drained cavity, helps the specifier to comply with their responsibilities regarding design criteria. This is in line with current legislation, codes of practice and by using one of our approved contractors, full design responsibility can be delegated.

If you or your colleagues would like to attend please email your name, company name and email address to vanessa.good@horsham.gov.uk by Friday 14th May 2010. Please make sure that you include ‘Below Ground Waterproofing CPD’ in your subject line. Lunch is provided from 12pm - the presentation starts at 12.30pm and finishes at 1.30pm

June

Tuesday 29th June

- Event: **CPD Seminar from Kingspan**
- Time: **12pm – 1.30pm (including lunch)**
- Venue: **Council Chamber, Horsham District Council, Park North, North Street, Horsham, RH12 1RL**
- Cost: **Free**

The presentation will cover:

- An explanation of Lambda values and different insulations
- Sustainability, Life Cycle Analysis and the Green Guide to Specification
- Part L, (New and Refurbishment) The Code – Changes up to 2016, including Oct 2010 update
- Refurbishment – Solutions, Camden House, Case Study
- Product Solutions, good practice guidance.
- Tapered roofing including installation guidelines.

If you or your colleagues would like to attend please email your name, company name and email address to vanessa.good@horsham.gov.uk by Friday 4th June 2010. Please make sure that you include ‘Kingspan’ in your subject line. Lunch is provided from 12pm - the presentation starts at 12.30pm and finishes at 1.30pm

July

Tuesday 27th July

Event: **CPD Seminar on Upgrading Timber Fire Resistant Doors**

Time: **12pm – 1.30pm (including lunch)**

Venue: **Council Chamber, Horsham District Council, Park North, North Street, Horsham, RH12 1RL**

Cost: **Free**

Presented by **Mann McGowan** who design, manufacture and install passive fire protection products, acoustic and weather sealing products, including fire resisting glazed partitions and doors, glazing, pipe collars, air transfer grilles and general purpose intumescent sealants.

If you or your colleagues would like to attend please email your name, company name and email address to vanessa.good@horsham.gov.uk by Friday 16th July 2010. Please make sure that you include 'Fire Resistant Doors' in your subject line. Lunch is provided from 12pm - the presentation starts at 12.30pm and finishes at 1.30pm
